

ORBIT

ARTS ACADEMY

Orbit PLAYhouse Productions is a musical theatre training program for students ages 7-12 with a passion for musical theatre performance. This Fall, Orbit's PLAYhouse Company will present Disney's Frozen Jr (Pending Rights Approval). These young students get to work with instructors that have worked on Broadway and beyond. Our goal is to help shape young people as performers. We believe that instilling kindness and a good work ethic in children, while having a safe space for them to be creative, is the best way to nourish their joy of the arts.

Musical Theatre Prep Track is designed to help students ages 8-12 learn the essentials of musical theatre in a fun, creative and supportive environment. In this class, students will learn the fundamentals of using drama, song and dance to create characters and tell a story. Students will become more versatile performers while studying the following: musical theatre dance incorporating Broadway styles, vocal performance, diction, theatre techniques, acting for the stage, character development, improvisation, and audition techniques. The course culminates with an informal showcase performance of material covered in class.
